**Club Leaders: Commit to come help or place a backup person to supervise**

Post your work schedule on big cooler so everyone can see who is supposed to work.

Complete work schedule and make sure people show up.

**Groups if you have club shirts, please wear them while you are working concession, great recognition!**

We can use grandparents, aunts, uncles, your neighbors, and/or third cousins if they can make correct change!

Make copies of this schedule and give to your help with their time highlighted, circled, reminders before christmas vacation....

*Remember all those people who always say, "Let me know if you need help." **This is it!***

Please encourage everyone to be pleasant at the window to encourage sales.
